MERRY CHRISTMAS!

NORMAN VINCENT PEALE
"Did you ever consider that a friend means by the 'Merry Christmas'?"
"Merry Christmas! What a cheery thing it is. It brings the full warmth of friendly regard. For your troubles, be joyful. There is lots of fun and goodness here, especially at Christmas. It is what the fine old greeting means."
When anyone wishes me a very Christmas, it always does good, for I recall the Bible's 'a merry heart doeth good as a medicine.' So the greeting, 'Merry Christmas,' is really wishing you happiness, good health and much joy."

ONE OF OUR READERS has told us to pass along a tip to those who are still looking for minute gifts for elderly friends who live alone. Her suggestion is to give them a home animal from the Berkeley humane Society. According to Alvin of the Society, "I particularly suggest a pet if you are happy with your lot in life. There is nothing like something to love you for yourself alone."

New Civic Building Plans Submitted to City Council

Because presses were rolling last night as City Council was meeting, the Times did not cover the session.

According to the agenda, Administrative Officer James B. Turner was to submit plans and specifications for new city buildings and would recommend that the project be advertised for bids.

There were seven communications on the agenda. Others included a report from State Highway Engineer J. C. Womack recommending to the legislature revisions in the highway system; letter from W. Winfield Crowther, 1130 H San Pablo Ave., offering suggestions concerning Council procedures; letter from Mrs. Charles Reese, 806 Pierce, pro-

testing Council action in mailing copies of the UC resolution to other cities;

Clay Berling, chairman of the Park and Recreation commission, reporting results of public hearing on street trees and ground cover; E. R. Foley of the Division of Bay Toll crossings acknowledging receipt of Council resolution on the next crossing of San Francisco Bay;

Treasurer Marietta Ferreira requesting refund of a duplicate tax payment.

No Postal Delivery, Window Service December 25 or 26

Postmaster George B. Kohler has announced that Berkeley, Albany and Kensington post offices will have no home delivery or window service on Christmas day or Saturday, Dec. 26.

Mail will be collected on regular holiday schedules. Special delivery mail will be delivered.

P&Z Approves Triplex in R2

For the first time in months, the Planning and Zoning commission has approved the construction of a triplex in an R2 district.

The commission Dec. 8 okayed the application of Mrs. Velma Council to construct a triplex at 841 Madison. There were no protests.

No applications for the construction of multiples in R2 zones have been received since City Council enacted the first 90-day freeze in the Cornell area early this year.

The next meeting of the Planning and Zoning commission will be Jan. 12.

New Cub Pack

A new Cub Scout Pack is being organized under the sponsorship of Albany post 292, American Legion.

New leaders will be David Pleece of 703 Cornell, whose phone is 524-9271, and Aaron Johnson of 183 Wilson St. in University Village, whose phone is 526-7073.

Those interested in having their son become a Cub Scout may receive further information from leaders or from Alvin Drozda at 526-5867.

Lucky Combination: ASMX

PICKS LUCKY NUMBER — Albany Mayor George Hein, left, selects the winning ticket in the Albany Chamber of Commerce Shop-at-Home promotion while C of C President H. F. Call looks on. The winner has until 5 p.m. Thursday, Dec. 31, to produce the matching combination and contact the Chamber office (LA 5-1771). Prizes are \$1,000 and a week end for two in Reno. The promotion helped finance Albany's Christmas street decorations. The winning combination does not necessarily have to be in order, Clarity said. It can be XMAS, MAXS or in any other order as long as the four letters are included. Those holding a winning ticket may call the Chamber from 8 a.m. to 10 p.m. this Wednesday and Thursday or until 5 p.m. today and other business days.

Girls' League Bottle Drive January 9

January 9 is the date selected by Albany High School Girls' League for their bottle drive in Albany.

Posters are to be distributed in Albany stores. Mimeographed flyers will be delivered to every door prior to the collection, according to Chairman Susan Weiner.

The city has been divided into districts with teams responsible for each area. Bottles collected must be returnable for cash. The girls will store them in garages until turning them in. They hope to raise enough money to provide scholarships this year.

\$900 DAMAGE

Murphy Pacific reported to Albany police Dec. 10 that someone had illegally driven their heavy loader into the center strip curbing and back again on the new construction at Buchanan. About 90 feet of curbing was damaged; at least 30 feet will have to be replaced at an estimated cost of \$900.

COUNCIL DECIDES ON INGREDIENTS FOR CITY'S MASTER PLAN DEC. 15

Members of Albany City Council selected portions of three proposed plans for the Albany of the future at a meeting last Tuesday night and have asked Planner Herman Ruth to see if he can put them all together into a workable program.

Councilmen unanimously voted to ask Ruth to prepare a plan to (1) preserve single family areas east of the Santa Fe tracks

and allow apartments west of Masonic Avenue, soon to be the site of elevated Rapid Transit tracks, to shield the sight and sound of the trains; (2) develop a business district (concept IIA) along San Pablo Avenue in the general area of the new Civic Center site as proposed by Albany businessmen and the Chamber of Commerce, and (3) go beyond any waterfront expansion in Ruth's original plans, includ-

ing greater area for multi-purpose development.

Planner Ruth is scheduled to meet again Jan. 7 with the Council, Planning and Zoning commission, Goals and Objectives committee and interested citizens. He is expected to be able to report at that time whether the Council's recommendations can work.

A plan proposed by James C. Sadler, Jr., titled "A Citizen's Plan for Future City of Homes" and about two and a half pages long called for having Army Corps of Engineers filling all of Albany's submerged land to the western limits of the bay for the construction of \$50,000 to \$100,000 homes, condominium "apartment buildings and creating a regional cultural and sports center plus marina. He proposed a monorail from the tip of the peninsula to the Alameda, pedestrian mall along Solano and ringing the city with condominium type buildings.

Councilmen did not discuss the program because the purpose of the meeting was to select one of Ruth's proposals.

Hey, Kids, Coloring Contest Ends Tomorrow

The deadline for the big Christmas coloring contest sponsored by the Albany Times and 22 merchants ends at 5 p.m. tomorrow. All entries must be turned in at the address shown under each picture by that time.

For last minute artists, extra copies of the two pages are available without charge at the Times office, 1240 Solano Ave.

Save Christmas Trees for Scouts

Members of Boy Scout Troop 12 and Cub Pack 3 will go door to door in Albany Saturday, Jan. 9, collecting Christmas trees.

The boys will appreciate a donation for hauling the tree away.

Scoutmaster Eldon Wolf and Cubmaster Frank Rivard are in charge of the annual drive. Workers will have lunch, prepared by Troop 12 mothers, at Marin school at noon.

Rafael Zaklad Speaks On Israel for Rotary Club Today

Members of Albany Rotary club will hear Rafael Zaklad tell of the cultural and economic development of Israel and show colored slides at the pre-Christmas luncheon meeting at noon today at Spenger's.

Boyan Ribnikar is program chairman. President is William Koser, M.D.

CAUGHT IN THE ACT

Jeffrey Moore is only four years old but he has a small police record already. On Dec. 15, the fire department answered an alarm from University Village. When the trucks arrived, it was pretty obvious it was a false alarm. There, still standing on his tricycle and hanging on the alarm box, was little Jeff. He was returned to his baby sitter.

AW, CHIEF, YOU SHOULDN'T HAVE — It's difficult to say whether the March of Dimes certificate of appreciation or the good looks of Albany's March of Dimes Chairman Ralph Jensen impressed these Senior Citizens more. Incoming President Tena Gregory, left, and outgoing President Minnie Ingraham accept the certificate on behalf of Seniors who prepared more than 5,000 pieces of March of Dimes mail for Albany delivery the first of January.

Berkeley March of Dimes Leaders Are Veterans

An experienced trio will spearhead March of Dimes activities in Berkeley beginning Jan. 2.

Tom McLaren and his co-chairman, Postmaster George Kohler, are making plans for the campaign which will finance research and patient care in the field of birth defects, support for the Birth Defects Center at Children's Hospital of the East Bay and the Salk Institute at LaJolla as well as continuing care for polio victims.

Mathers' March chairman again this year is Mrs. Warren Whitlow.

Solid support will be forthcoming from John Switzer, vice president of the board of Alameda County chapter, National Foundation-March of Dimes and chairman of the chapter's public education committee, who recently returned from a conference in San Diego and first hand view of where the dimes go at the Salk Institute.

McLaren, who also attended the San Diego conference for key volunteers, has been active in March of Dimes activities since he fell victim to polio at the age of 26. He has held almost every

office in the county chapter, including chapter chairman. This is his eighth year of being a co-chairman in Berkeley. He served in the top spot alone for two years.

A native of Berkeley, he is a University of California graduate and owner of a pharmaceutical distributorship in Oakland. McLaren is well-known in Berkeley and Alameda County for his many civic activities. He and his wife, Patricia, live at 135 Tunnel Road with their three children, Ann, Tom and Elizabeth.

Postmaster Kohler, serving his second year as a March of Dimes leader in Berkeley, also is a Berkeley native. He and his wife, Beatrice, live at 9 Kerr Ave. Their son, George, is grown. Another UC alumni, he is a member of Rotary club, Berkeley Breakfast club, Herrick Hospital Rehabilitation board, Berkeley YMCA and has been a United Crusade volunteer.

Mrs. Whitlow, who lives at 1115 Parker St., is grateful to the March of Dimes for assistance her family received when her son, Harold, had polio at the age of seven. A native of Oklahoma, she is a graduate of Berkeley High School and has lived in the city for many years.

Currently president of the Figure Eight Dance club of Richmond, she is past president of Columbus Elementary and Bur-

bank Junior High School PTAS, 15-year veteran of Red Cross motor corps, a former Girl Scout leader and member of Bethany Lutheran church.

Her volunteer service with the March of Dimes dates back to the very first Mothers' March. She has been Berkeley chairman several times in the past. She and her husband are parents of Harold Whitlow and Mrs. Shirley Barradas and grandparents of Scott and Todd Barradas.

Switzer is chief of the division of health education for the Berkeley City Health Department. A native of Berkeley, he received his master's degree from the University of California. He is past president of the Northern California Society of Public Health Educators, lecturer at UC, member of the regional board of American Public Health association, fellow in the American Public Health association and member of the Royal Society of Health. He was coordinator for Berkeley's KO Polio program.

U Village Parent Classes Discuss Many Topics

Theories of nursery school education and when adults should help have been recent topics of the University Co-operative Nursery school parent classes.

The structured Montessori system, where two and three year olds are taught reading and arithmetic was explained by Mrs. Maxine Borum. Another plan, the Summerhill system where students govern themselves and never have to attend class if they don't care to, was discussed. Most recent topic was when adults should help children.

Home Economics Chairman Dorothy Conway has started a vegetable project for the children.

"When children refuse to eat certain foods at home, there is an emotional basis," she says. "Children will eat vegetables when they are presented in a neutral atmosphere." (Parents say her theory works.)

Science Chairman Heidi Garrett has completed a unit on insects and is beginning one on spices for Christmas.

Albany residents wishing to enroll three or four year olds for the quarter beginning in January should contact Mrs. Barbara Farmer at 526-8212.

J. Allen Bray Heads County United Crusade

J. Allen Bray

J. Allen Bray, Berkeley business executive, was elected president of the Alameda County United Fund at its annual meeting on Dec. 8.

Roy A. LeBaron, Oakland banker, was selected campaign chairman for the 1965 United Crusade drive in Alameda County and will also serve as a vice president of the Fund.

Elected vice presidents with LeBaron were Mahlon K. Jordan, 35 Alvarado Road, Berkeley, Andrew O. Lowe and Dr. Norvel Smith of Oakland, and Robert M. Elliott, who will also act as public relations chairman for the East Bay United Crusade.

Frank H. Wickhorst, 749 Cragmont Ave., will assume the duties of Fund treasurer. Wickhorst is director of civic affairs for Kaiser Industries, and Jordan is president of Avoset Company in Oakland.

Continuing as senior vice president of the Fund is William F. Knowland. Donald W. Beggs remains as a vice president and chairman of the general budget committee. Other continuing officers are vice presidents John S. Cooper, 21 Stephens Way, Berkeley, Robert S. Ash, and John Sugden, and the secretary, Mrs. George C. Ellis.

Frederick L. Greenlee, outgoing president of the Fund, will become chairman of the board of governors.

The Alameda County United Fund is the local arm of the United Bay Area Crusade. Nearly 300 Crusade leaders attended this annual meeting, a luncheon at the Hotel Claremont, to hear final reports on the record 1964 Crusade campaign, which raised \$12,414,245 for voluntary health, welfare and youth agencies in the Bay Area.

Go Greyhound With BankAmericard

An agreement has been reached by Greyhound Lines to accept BankAmericard in California for all regular passenger fares, tours and charter trips, it was announced by R. A. Peterson, president of Bank of America, and R. E. Thomas, president of Western Greyhound Lines.

The agreement, affecting more than 1,250,000 BankAmericard holders throughout California, marks the first time Greyhound has agreed to accept any credit card for chartered bus trips or tours, in addition to its regular passenger fares.

Under terms of the agreement, BankAmericard holders may now obtain immediate credit in purchasing transportation for any Greyhound trip originating in California to any destination served by Greyhound buses.

INTERESTING PEOPLE

Gene Boettger of Albany Voicesponding Expert

Using his tape recorder, Gene Boettger, 623 Talbot Ave., talks and exchanges music with voicespondents around the U.S. and in other countries.

This interesting hobby, known as voicesponding or tapesponding, has become more popular with the increased use of home tape recorders. Boettger is a member of two clubs devoted to the hobby, Stereo International, with headquarters in England, and The Voicespondence Club, with offices in Noel, Va.

Members of Stereo International are interested in exchanging music and sounds in stereo, whereas Voicespondence club members are mostly interested in chit-chat-and discussion of mutually interesting topics. The latter club is the largest of its kind with 1,400 members in the U.S. and almost 500 in 44 foreign countries, from all walks of life.

At the present time, Gene tapesponds with people in five states and in Australia and Germany, all of whom are interested, as he is, in Dixieland and traditional jazz. He was exchanging tapes with A2C Troy G. Lyon, son of Mr. and Mrs. Troy Lyon, 929 Jackson St., when the youth was stationed in Libya. However, since being transferred to Germany, Troy's tape recorder is out of commission. Mr. and Mrs. Lyon, who also voicespond with their son, are waiting for him to "get back on tape."

Boettger's two Australian tape friends are eager to receive from

him recorded jazz programs. FM stations KPFA, KJAZ, and KJAZ, Alameda, has no FM radio, and jazz is very popular there as in European countries. U.S. tapespondents, where there are no FM stations, or where reception is poor, appreciate getting programs recorded off from the excellent Bay stereo stations.

Another variation of tapesponding is having four or more on a "round robin" person records one the reel of tape to the next person after he has listened to conversation and music he have recorded. When around again, he records what he had previously the tape. (The recording what is on the tape as listening to a "round" similar to listening on phone party line. For like to talk without interrupted, or who enjoy music from other tapesponding is just the thing.

MERRY CHRISTMAS TO ALL!

At this season, we look back
on all of the things for which
we are thankful, and they are
numerous.

☆ We're grateful to our custo-
mers for their continuing
support.

☆ We're happy to be in a
business where our competi-
tors are fine people, and we
rely on their marvelous co-
operation. Our real estate
friends on the avenue have
served their city well.

☆ We're thankful for our ex-
cellent builders and sub-

us good construction and
honest value.

☆ We can't forget the assist-
ance of our financial people,
the bankers, savings and
loan people, and the title
companies. They have
helped our customers pur-
chase their homes.

☆ Our city and school offi-
cials put in many long
hours, taking care of the
public's business. They are
administering, legislating,
planning, and doing a fine
job of running Albany, the
finest city of them all. Our
Christmas wishes go to
them too.

☆ Lastly, and most important
we want to thank the people
of Albany who have made
this city a most pleasant
place in which to live, and
who have shown their faith
in the future of Albany by
authorizing a new Civic

Kevin Glading in Japan

Kevin Glading, 16, son of Mrs. Jan Glading of 724 Carmel, was one of three American high school student winners of the 15th National Science Fair International, who recently participated in the Japan Student Science Fair in Tokyo.

He is shown above discussing his prize-winning exhibit on

"Nuclear Quadrupole Resonance Effects" with Miss Lan Chai-Yun from Taiwan.

A sophomore at Albany High School, Kevin has been winning science fair awards since 1962, hopes to become a nuclear physicist. His trip to Japan was sponsored by the U.S. Air Force.

Dubbed "Operation Cherry Blossom," the students were sponsored by the Yomiuri Shimbun, a leading newspaper in Japan, which also sponsors the annual Japan Student Science Fair. During their whirlwind visit to Japan, the students were guests of U.S. military families in the Tokyo area, visited in homes of Japanese, paid courtesy calls on the U.S. Ambassador, visited U.S. Army Japan Headquarters and the Zama American High School, and toured facilities at the 406th Medical Laboratory, near Camp Zama.

The three, an asset to any country, displayed level headedness and sound judgment, which is so vital to the forward progress of tomorrow's civilization.

Police Blotter

(Continued from Page 1)

\$145, which three finally accused the fourth member of the group of stealing at an Oakland Safeway store.

Included in the loot were potato chips, the best brands in cognac, bourbon, brandy, Irish whiskey and gin, a large ham, New York steaks and 10 filet mignons. The juveniles were turned over to Oakland police.

Victims of outdoor light thefts include William Keating, 411 Stahnage, hit twice; G. Wendel of 1504 Posen, also vandalized twice; Charles Butcher, 1305 Marin; Mary Downs, 1515 Francis (24 lights); R. E. Nicholls, 1019 Ordway; Jack Rosano, 1013 Talbot; Brock McManus, 944 Masonic (lost 24 lights and the hoodlums came back for more);

James Scoggins, 823 Santa Fe, 41 bulbs; H. L. Cheems, 651 Spokane; Alan Hofman, 922 Tulare, and Frances Wilson, 1679 Marin, who lost three dozen.

We won't mention the names of the fellows who reported they were eastbound on Brighton about 3 a.m. Sunday, turned north at the tracks, thinking it was Spokane. When they tried to turn the car around it became hung up on the tracks. When the men saw a train coming, they signalled the train so it was able to slow considerably before

bumping into the right rear fender of the car, knocking it off the tracks 84 feet north of Brighton. The fellows got back in the car and drove away. No citations were issued.

Two recent house burglaries have been solved when responsible were apprehended trying to pawn the missing items. On Dec. 14, the Joseph Glynn home at 1552 Marin was entered by breaking glass on the rear door. A watch and radio, valued at \$50, were stolen.

Earlier, on Dec. 9, the home of Robert Ziegler of 1496 Sonoma was burglarized and about \$130 worth of items was missing. Both jobs were considered "sloppy" by police because many valuable things were overlooked. Charles Farrel and Samuel James Agee of San Francisco were picked up by police of Berkeley and San Francisco and partial recovery of items stolen in Albany has been made.

Poor Phyllis Nickerson, who lives on Gateview, was not so fortunate. On Dec. 11, her house was prowled with burglars taking a carton of cigarettes, box of candy, four new one dollar bills, and—worst of all—15 books of Green Stamps. We can imagine Phyllis crying, "Keep the cigarettes, candy and money. Just give me back my STAMPS!"

And, finally, the boys in the tree lot at 655 San Pablo reported somebody trying to steal a Christmas tree.

Christmas Greetings

Festive as candy canes and bright ribbons are our wishes for a joyous and fun-filled Christmas for you.

News Notes

From the AHS

Band, Orchestra

Sue Thomas, band treasurer, and Mrs. Glenn Bailey, Band Booster treasurer, have announced that the band uniform fund stands at \$416.32 toward the goal of \$1,200. Contributions have been made by Albany post 282, American Legion; 1963 All Night Party fund and from Albany Bond Boosters.

Albany High now has three string quartets. One consists of Cynthia Bedford, Martha Williams, Laura Bailey, and Marge Johnson; the second, Connie Walker, Stephanie Klose, Laura Bailey (again), and Marge Johnson (again); third, Charlotte Christian, Kathy Anderson, Jean Porterfield, and Linda Finney.

Performances are planned early next year.

Bob Isert, band vice president, is organizing a pep band to play for basketball games and rallies.

Margaret Tuft, first horn player in orchestra, will be soloist in the orchestra concert this spring. She will play the Mozart E flat Concerto.

The AHS dance band is now a going concern, and practicing twice a week. Solo chores are being handled by Dennis Rogers, Dan Brandt, Max Haskett, Reed Overshiner, and Dan Senst. "Lincoln Portrait" by Aaron Cooland will be one of the features of the band concert in March. Greg de Giere will be the narrator.

Brian Hellwig, trumpeter, is the only eighth grader in band this fall.

Jim Orlemann will be timpani soloist for the March band concert.

Cub Pack 7 Assists With Christmas Food Basket Project

Each Cub in Pack 7 contributed an item of food for the Albany Christmas Committee's food baskets at their annual Christmas party and Pack meeting Dec. 15, in Cornell cafeteria.

The Cubs did this rather than exchange gifts among themselves. Den 2 contributed money which they had raised themselves with a Saturday project.

Many new boys were initiated into the Pack and one boy, Victor Kaupas, graduated from Webelos Den into Boy Scouting. He will now enter Troop 12. Pack 7 still has no Cubmaster, so initiation and graduation were both conducted by assistant Cubmaster J. A. "Whitey" Bachman.

After a very jolly Santa Claus had distributed candy canes to little brothers and sisters of the Cubs, he listened to requests from the smaller children. Higgins Bailey led the Cubs in group activities, and two Cub members of the junior choir led the group in Christmas carols, assisted at the piano by Mrs. Wallen.

Punch and Christmas cookies contributed by mothers were served to the Cubs under the direction of Mr. and Mrs. Walter Corvello.

Editor, the Times:
Like stern parents out to punish a disobedient child, our Albany City Council has passed a resolution on the UC controversy. As a teacher, I am deeply disturbed to see such misunderstanding about the function of a university and the source of UC's greatness.

Education, such as this resolution supports, could be obtained solely by reading and mastering a list of required texts. What is a university education for? This is the stimulation of the minds in free exchange; an exceptional faculty and exceptional students.

The rules which administer a university should further the work of education, not hamper and obstruct it. You can condemn, if you wish, a few "radical" students who oppose these administrative rules. Possibly, you can even condemn the vast number of students who demonstrate their sympathy with the But when more than 800 distinguished, long-term faculty members of a great university recommend that these rules be changed, you and I and the City Council cannot dismiss them as a group of naughty children who must be punished. We should listen very carefully. Maybe the rules do need

ARM & SHOULDER PAIN

by Dr. Bernie Ernst, D.C.

Hardly a week passes without someone coming into the office complaining of pain in the shoulder and upper arm that may or may not extend into the hand or fingers. Most of them have already been diagnosed as having bursitis. Various things have been tried for relief, from heat on the shoulder to novocain injections. When nothing has succeeded and the pain is still unbearable, many of them go to a chiropractor as a last resort.

There are various types of shoulder and arm conditions but most often one primary cause, a spinal misplacement that is pressing or pinching upon one of the nerves that lead into the affected area. The disorder is at first acute neuritis and if not corrected becomes chronic neuritis or arthritic and becomes much harder to correct.

Three months ago an Albany housewife came into the office complaining of severe pain at the base of the neck with searing pains shooting into her shoulders and run up her neck into the back of her head. She had suffered with this disorder for three and a half years, having been in an automobile accident at that time.

Our X-rays of the spine located the areas of nerve interference and several vertebral misplacements causing her symptoms. Corrective spinal adjustments restored the flow of normal nerve impulses and her symptoms began to vanish. She still comes in for check-ups and last week she was still feeling well and happy.

If a chiropractor is consulted when any such condition exists, many days of suffering for the patient will be eliminated and the cost of getting well greatly reduced. 1127 Solano Ave., Albany, LA 43912. Adv.

Editor, the Times:

The issue at the University of California is not the freedom of speech but the question is who is to run the university, shall it be a group of honorable, distinguished citizens or a bunch of wild-eyed rebellious youngsters.

If I should have a boarding house and my customers, in debating their political views, begin to throw my dishes at one another I am compelled to ask them to go outside or find another boarding house. It is going to wreck my business.

The university grounds should not be used as an arena for political debates and strife, less it will defeat the purpose of this institute of learning.

Sorry to say Governor Brown's advice, "Let's have an evolution and not a revolution," didn't help matters. In fact it aggravated the situation in that it deposed the president of the university of his authority to say, "Hitherto shalt thou go and no further," and degraded him to a mere business executive; on the other side it encouraged the youngsters to go ahead in their action.

If this hell inspired rebellious movement should spread to other universities of the land we can safely blame it on our politicians who are determined to stay in the extreme center, not venturing out of it not even a sixty-fourth of an inch. And behold we are to speak of them as the honorable so and so. Just think of it! O tempora, O mores!

What a time we live in! The child shall behave himself proudly "against the ancient and the base against the honorable," Isa. 35 speaking of the end time before the return of the Lord Jesus Christ.

Pursel Advocates Increase in Cost of Divorce, Marriage

Figures from Alameda County indicate a continuing rise in the number of divorces. So far this year, the number of divorce complaints filed is 4,659; the number of decrees granted, 3,092.

During the same period, the

number of marriage licences issued was 5,820. These figures would indicate that better than 50 per cent of the marriages wind up in divorce. In an effort to attack this serious problem, a Conciliation Court was estab-

lished in Alameda County six months ago.

Upon request, a trained marriage counselor meets with the contestants and attempts to effect a reconciliation. To date, there has been 352 cases received

by this court: reconciliations, 83; reconciliation refused, 66; cases awaiting conference, 61; in process, 142.

Reconciliations represented 166 individuals and 168 children. These are homes that were saved.

Because of the caseload, a waiting period of six and a half weeks developed; as a result, the Board of Supervisors added an additional marriage counselor and one clerk to the staff of the Conciliation Court. Because of this additional cost, and in the light of the above statistics, Chairman Kent D. Pursel believes that we should support legislation that will raise the amount of the filing fee for a divorce from \$22.50 to \$35.

Also, in his judgment, an increase in the marriage license fee is long overdue. The present fee of \$2 has remained unchanged since the turn of the century. He thinks this fee should be increased to at least \$5. These increases will help defray the expense of the court services, but more importantly will assist in focusing attention on the importance of marriage.

Carol Dietschy Engagement Announced

The engagement of Carol Louise Dietschy to Raymond Michael Airone of Santa Clara has been announced by her parents, Mr. and Mrs. John Dietschy of Albany.

Mr. and Mrs. Raymond Airone of Galt are the future bridegroom's parents. Mr. Airone is a prominent business man with business affiliates in both Stockton and Galt.

Carol is a graduate of Berkeley High School and San Jose State College. She is a teacher in the Manhattan Beach school district in Manhattan Beach. Her vocation follows a family pattern; her mother, Mrs. Dietschy started teaching in Albany at the Herbert Hoover Jr. High School in 1930, continuing her career at Albany High School when the school became a senior high school in 1934. She retired in 1961 and she and Mr. Dietschy have become world travelers since then. Mr. Dietschy is employed by the State Department as a civil engineer in the Highway Department. Carol has one sister, Ellen, of San Rafael, who is on the staff of the San Raphael Independent Journal.

The groom to be is a graduate of Galt High School. He will graduate from the University of Santa Clara this month with a degree in mechanical engineering. Mrs. Robert B. Kelly of Livermore is his sister and Mr. and Mrs. Joseph Airone of Stockton are his grandparents.

The young couple plan to be married in Stockton early next year. They will make their home in Manhattan Beach.

Christmas service, 5 p.m. As part of the service of evening prayer, the psalm and the lessons from the Bible will be read by pupils of the Church School, selected by their teachers. Children who will read are: Lyn Lowman, Noel Laverty, Mel Apodaca, James Gillett, Carrie Gifford and Peter Perkins.

Younger children through the third grade will sing choral numbers. The junior choir, under the direction of Mrs. S. R. Dows, will lead the congregation in the Christmas hymns.

Each child, if able, is asked to bring a gift suitable for a child of his own age. But every child is welcome, whether able to bring a gift or not.

A potluck dinner in the parish hall will be served at 6 p.m.

At 7 p.m. there will be a party

Janke, pastor, will speak on "The Meaning of Christmas."

In the Christmas Eve canted candlelight service of carols and

lessons, the pastor will speak on "The Festival of Love, Faith and Hope," and the adult choir under the direction of Mrs. Jules Langert, organist and choirmaster, will sing the anthem, "Come, Thou Long Expected Jesus."

The Christmas Day festival service will be held at 11 a.m. with the Holy Communion. The pastor will speak on "God's Christmas Gift to the World." The adult choir anthems in this service will include the 16th century carols, "Sing We Noel," and "Slumber, My Child Divine."

Next Sunday, the usual schedule will be followed with Sunday school at 9:30 a.m. and the duplicate services at 9:30 and 11 a.m. The pastor's sermon topic will be "The Keepers of Christmas."
